Friendly Flocks

Friendly Flocks is a chamber music offering available to enrolled Lark students. Rather than meeting weekly for an entire semester, these sessions are scheduled ad hoc with the help of the Studio Director and the students' teachers. Sessions are coached by our chamber music faculty. The goal is to enrich and enhance students' music experience by offering a group playing experience.

The fee is **\$32/hour/student**, which will be added to your monthly invoice.

This program is available for all ages and levels! If you are interested in playing with friends— or making new friends by playing in a new group— email michelle@larkmusicloft.com to sign up.
